Bag Limit Set On Game Fish

Considerable amount of confusion has arisen among the anglers of the State with reference to the creel limit on game fish, according to Rex McNamee, Executive Director of the Game and Fish Commission.

House Bill No. 394 passed at the recent session of the Legislature permits anglers to take 50 game fish of one kind in any day but not more than 75 of all kinds in one day. However, the Game and Fish Commission deemed it necessary to reduce the creel limit, and acting under the authority vested in the Commission by Section 5848 of the Game and Fish Code, have set the limit as follows:

Black Bass 15 per day
Striped Bass 15 per day
Crappie or White Perch 20 per day
Dremin Goggle-eye and all other Sunfish or combination of all 30 per day
Aggregate Daily Bag Limit 75 per day
Possession Limit: Not more than two daily bag limits or 150 in the aggregate of all kinds.

CHURCH FAIR SET AT KILN ON WEEKEND

Annunciation Church, Kiln is having a church fair Friday and Saturday.

Offering fun for all ages, the fair starts Saturday at 4 p.m., and includes dancing Saturday night.

Sunday dinner will be served starting at 11:30, and activities include games, rides, and a grand drawing Sunday night.

Summer Revival Slated At Kiln

The Shiloh Memorial Baptist Church in Kiln is having a revival this week. Rev. S. P. Powell of Piquette is the preacher, and Rev. Tom Lee, also of Piquette, is the singer. Many people have been attending every night and so far the meeting has been a blessing to all.

There will be an all day meeting with dinner on the grounds this coming Sunday. At three p.m. there will be a baptizing service at Dr. C. M. Bannister's swimming pool which is located near the church in Kiln.

You owe it to yourself to witness at least one of these revival meetings which will continue through Sunday. Rev. Bob McNamee is pastor of the church.

LIBRARY STORY HOUR IS NOW IN PROGRESS

All children aged 6 to 10 are cordially invited to attend the Summer Story Hour at the City-County Memorial Library on Court Street every Friday morning from 10-11 A.M., Mrs. Albert Biehl, chairman said this week.

This interesting recreation for the small fry of the community is conducted by the American Legion Auxiliary. There is no admission charge.

Initiated last year by the Auxiliary as a community service project, the program proved to be one of the most popular activities of local youngsters. The series of story hours has already begun and will continue each week throughout the summer.

FOURTH OF JULY PLANS READIED

Plans for another gala Fourth of July Celebration are almost completed, Russell J. Elliott, recently named Commander of Clement R. Bontepps Post 139, the American Legion, for the coming year, said.

The annual July 4th observance, which is held on the city beach, is one of the high lights of the summer season, and includes games, concessions, races and other contests, a good speaker, and is terminated with a beautiful fireworks display.

Named To Board Of Local Library

Mrs. Russell Elliott, Mrs. James M. Robert and Mrs. Sam Whitfield were named new members of the executive board of the City-County Memorial Library at the annual meeting held on Monday.

Elected to serve for three years, these women will replace retiring board members Mrs. H. J. Thompson, Mrs. Grady Perkins and Mrs. Rene de Montuzin, Jr.

Other members of the rotating board, who were elected last year, include Mrs. Ernest Samuel, president, Mrs. John McDonald, vice-president, Miss Louise Crawford, secretary-treasurer, Mrs. W. L. Argus, recording secretary, Mrs. Paul Kimbrell and Mrs. Lloyd Griffith.

At Monday's meeting the board also approved plans for enlarging the back rooms of the building to provide additional reading space and stacks for new volumes acquired by the library.

High praise and appreciation was expressed by the board for the fine program of summer story hours for children conducted each Friday morning at the library by the ladies of the American Legion Auxiliary.

OLG Church Fair Slated For July

Our Lady of the Gulf Catholic Church will hold its annual fair July 14-15 on the grounds of the St. Stanislaus Day School near the L & N station.

At a meeting of the fair committee Monday night presided over by the Rt. Rev. Monsignor Michael J. McCarthy, the group decided to include the serving of a hot supper on both nights of the fair.

PFC ANDRE ARCENEUX GRADUATED FROM LINEMAN COURSE IN GA.

Pfc Andre J. Arceneux, son of Mr. and Mrs. Eddie J. Arceneux, Bay St. Louis, Miss., recently was graduated from the lineman course at the Army's Southeastern Signal School, Fort Gordon, Ga.

The eight-week course training Arceneux to construct and maintain both open and lead covered field communication wires and cables.

The 21 year-old soldier was a student at Mississippi Southern College before entering the Army last September. He received basic training at Fort Chaffee, Ark.

Arceneux is a member of Rho Tau Sigma fraternity.

W. G. HEWES SERVES AS SPECIAL JUDGE

William G. Hewes has been serving as Special Chancery Judge for the June Term of chancery court of Hancock County for the past ten days.

Hewes is a practicing attorney of Gulfport, and was appointed by Governor Coleman on June 11th to serve as Chancellor until Sept. 3rd in the absence of Judge D. M. Russell, who is presently ill and unable to serve.

During the term Special Judge Hewes handled a number of domestic relation cases, land matters, estates, and guardianships.

OFF-SHORE LANDS ARE BEING OFFERED FOR OIL DRILLING

The Mineral Lease Commission of Mississippi will begin offering for lease the 875,000 acres of off-shore submerged land in Mississippi Sound on July 1, according to H. M. Morse, state oil and gas supervisor. The Commission is mapping the area into 5,000 acre plots. These will be leased to the highest bidders.

Reconstruction Started On Storm Havoc Along Coast

Rebuilding of City Pier Planned By Playground Commission

Mrs. Theo Tudury, Parks and Playgrounds Commission Chairman, and a group of County workmen, survey what is left of the Municipal Pier before work of rebuilding is started. Below, salvaged pieces of the pier are hauled to the pier site from all along the seawall. —Sea Coast Echo Photo.

Every possible effort is being made to rebuild the municipal pier at the city beach, Mrs. Theo Tudury, Parks and Playgrounds Commission Chairman, told the ECHO this week. The pier was completely destroyed during last week's storm.

Since the commission did not have the funds to rebuild, Mrs. Tudury said, they had met with the City Council and County Board of Supervisors to work out ways and means of rebuilding.

She said neither the city nor the county had funds available at this time, but they agreed to help with labor.

Work started this week sal-

vaging timber from the pier all along the beach from as far away as the yacht club, and stacking it on the sand beach. Mrs. Tudury said about 65 per cent of the pier will be usable, and cautioned picknickers not to use the lumber for campfires.

Claud Hancock, County engineer, has offered to draw up plans and specifications and supervise labor with the help of T. F. Monti, she said.

"Jimmie Laroux and Sam Noto offered their help as needed," Mrs. Tudury said, "and a number of people have promised cash donations. Hardin Shattuck has donated poles from the REA to replace pilings."

"This way," she continued,

"we can start immediately, going as far as we can with what we have, hoping some good angel will help us find the rest."

She especially expressed thanks from the Parks and Playgrounds commission for the help and cooperation of these people, and also Manny Hubbard, Beat 5 Supervisor, Charles Russ, Beat 3 Supervisor, and his workmen, Mrs. Frank Kellar, Beat 2 Supervisor, and a crew of workmen, Earl Garcia and son and Alec Tartavouille, who was responsible for bringing their trucks and pulling the heavy sections of pier back to the beach, and the City Council, and County Board of Supervisors, who have given full cooperation.

Hancock county residents have begun the task that follows all natural disasters—the reconstruction of the \$125,000 damage a tropical disturbance wreaked along the county coastline last week.

Winds up to 40 miles an hour and six foot waves battered the beach front for a solid day, inflicting heavy damage to beach property and homes.

Most disastrous phase of the storm was the sinking of the tug boat May Dec 10 miles off Bay St. Louis, where three of 15 crewmen lost their lives—including a Logtown Negro.

Sippio Morse, 56, employed as a cook on a quarterboat engaged in dredging along with the May Dec, was identified by the tug boat owners as one of the victims.

Also Wednesday a Bay St. Louis youth was rescued along with five others from the tuna boat Millmar, at Southwest Pass near the mouth of the Mississippi River.

Facing pitching winds, a Coast Guard pilot flew his helicopter to the boat and while steering a crippled helicopter against battering gusts of winds ranging as high as 60 miles per hour, managed to save the six aboard and still rescue four Coast Guard men at the isolated CG base at the pass in a six-hour ordeal.

Standish "Scuppy" Crippen, 17, who was graduated from Bay High last month, was one of the rescued crewmembers of the Millmar. Attempts to reach Crippen by radio-telephone for a complete report of the incident have failed.

The helicopter pilot, 31-year-old Lt. Comdr. Milton B. Williams, has been recommended for the Air Medal.

Pass Christian Woman Dies

Mrs. Aline Margaret Hill, 42, found dead Saturday night was a Baptist Assembly grounds at Pass Christian, where she had resided about a week. Pass Christian police said the body was discovered by her husband, Leonard, when he returned to their car. "returned to a corner's inquest," a verdict of death from natural causes. Mrs. Hill was a native of Illinois.

PFC ARTHUR J. MAUFFRAY, son of Mrs. Pauline A. Redding of 217 Ballentine St., Bay St. Louis has been taking a special training course with the 1st Infantry Regiment at the Marine Corps Base, Camp Lejeune, N. C.

The four-week course includes all phases of combat training coordinated with the training taught in "boot" camp. Graduates will be transferred to permanent duty stations.

Retired Pass Barber Dies

Alfred Romero, 64, a retired Pass Christian barber, was found dead Sunday morning at his home.

Harrison county coroner Frank Hightower said Romero had a severe wound on his left arm, which an inquest jury said was self-inflicted with a straight razor.

Romero, in ill health for some time, had operated a barber shop in Pass Christian for 25 years before closing his business several months ago, officials said.

Home Plumbing Burglaries Continue

A theft-wave of plumbing equipment in Hancock County continued with four more houses being broken into last week, and again, as in five previous burglaries, plumbing equipment was carefully taken.

Sheriff Sylvan J. Ladner reported that two houses at Rotten Bayou, and two in the Texas Flat were entered by thieves sometime between June 3 and 17.

A house owned by Mrs. H.

H. McDonald and an adjoining house of Frank L. Stevens, Piquette, were discovered stripped of bathroom fixtures, a radio, .22-calibre rifle, gas heater, .38-cal. pistol and much other equipment. Investigating officers, including the sheriff and deputies Lathan Garriga, James Necaise, Earl Ladner, Sam Peterson and Beat Two constable Marvin Bobbinger, recovered all the loot from the two houses

in a nearby wooded area. Deputy Sam Peterson reported that a tenement house owned by James L. Crump, was entered and bathroom fixtures and a 12-foot boat were stolen while a house belonging to Frank H. Carlotta in Texas Flat Road in Jordan River Subdivision was broken in and plumbing equipment removed. The latter theft was investigated by Sheriff Ladner and de-

puty Gerald Favre. Fast teamwork by the sheriff's office and New Orleans police resulted in the apprehension of three youths who allegedly stole a 15 hp outboard motor from A. J. Farnsworth's pier at 689 Beach Blvd., Waveland. The theft was reported Wednesday night and Thursday the New Orleans police reported capture of Nolan Duplessis, 19, Melvin Peschlow, 26, and a 15-year-old, who admitted the crime.

RED-FACED

Sometimes editors look awfully silly (some folks say often, than sometimes). Last week our editorial complimented the Parks and Playground Commission work done at the beach, and tonight the municipal pier. And by the time the paper came out, the municipal pier was nonexistent, having gone by the board during Wednesday's storm.

However, our editorial page is made up Tuesday, and has already been printed before the last of Friday's paper is run off on Thursday. Simple, no?

Sure would like to learn to have like those fellows on the TV commercials. They start roughly in the vicinity of an ear, and in one swift winging down, under the chin somewhere. After half a dozen tries which resulted in a damaged nose, a sliced chin, and sundry other nicks and bruises, we've decided they either have a more tender beard than us, or don't have a blade in their razor.

Funny how one does things for years the same way, and then someone comes along with a lot easier method. We remember in our old home town, everybody popped corn in a heavy iron skillet for years and years, until a family from off moved in who popped corn in a deep aluminum pot, and revolutionized the whole town's method of corn popping. And it was just recently that we learned the Adam's apple was shaved up, and not down.

BAPTISTS BELIEVE... BELIEVERS HAVE EQUAL PRIVILEGES IN THE CHURCH

There is no debate over woman's suffrage or legal age limits within a Baptist church. There is no dispute over the balance of power between ministers and laymen. These matters are settled because of what the New Testament teaches on the place of the individual believer.

Why? Because all believers, regardless of age, sex, or occupation, are equal in privileges in a true New Testament Church, in which "There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female; for ye are all one in Christ Jesus" (Galatians 3:28).

When a Baptist church accepts someone into its membership, it accepts him on his own testimony about his personal, spiritual experience. It is said that when Charles Evans Hughes, Chief Justice of the Supreme Court of the United States, united by letter with a Baptist church, a Chinese laundryman also joined the church. Every person becomes a church member by vote of all the members present. A Baptist church transacts all its business in this same democratic manner.

Every member has an equal opportunity to serve according to his willingness and ability. The primary question is "Who then is willing to consecrate his service this day unto the Lord?" (1 Chronicles 29:5). The teacher of a men's Sunday

school class who had been elected by the church, was a clerk in a store. He taught business men of ability and means, college professors, and men from various walks of life.

His church offered similar opportunities to others who were willing and able—and without regard to their wealth or social standing.

The equality of individual believers in a Baptist church makes each person important. The church assumes responsibility for instructing, training and enlisting in service every member from the youngest to the oldest.

Because a Baptist church grants to every member the same rights and privileges, it provides all members with Bible teaching. It trains them in church membership and keeps them informed about missions. It encourages them to give liberally of their money and time to Christian activities. It instructs them in the way of righteousness and social and civic duties.

Many Baptist churches are far ahead of their communities in meeting the needs of youth. Baptists also make adequate provision for older people and for babies in their Sunday schools and other church services.

Baptist churches take seriously their responsibility for training each and every member. The activities of their several organizations—the Sunday school, the Training Union, the men's Brotherhood, the Women's Missionary Union—prove this.

POCKETS AND THINGS

A lot of fun has been poked at ladies' handbags. Often they do gather weird accumulations, but Dad needs a snicker—let him look in his own pockets, advises Thomas J. Tolls, a manufacturer of leather goods.

Mr. Tolls isn't just theorizing. He asked 75 businessmen to turn all of their pockets inside out, and here's a somewhat reduced inventory of what they disgorged: Cigarettes or cigars, loose change and bills in a wallet or crumpled up; unmailed letters; keys; business cards; some from forgotten people; pens and pencils, frequently empty of ink or lead; checkbook, handkerchief, credit cards, comb, nail file, maybe a mirror, good-luck pieces, ticket stubs, and baffling notes reading something like this: "Meet Jbxxx Mon at Fzzzis re Smgrna."

The trouble with the world is that the stupid are cocksure and the intelligent are full of doubt.

A SACK OF GROCERIES

Just how good were the good old days of some 50 years ago, when prices were much lower for practically everything than they are now?

The Sun, of Saratoga, Wyoming, has something interesting to say in this regard.

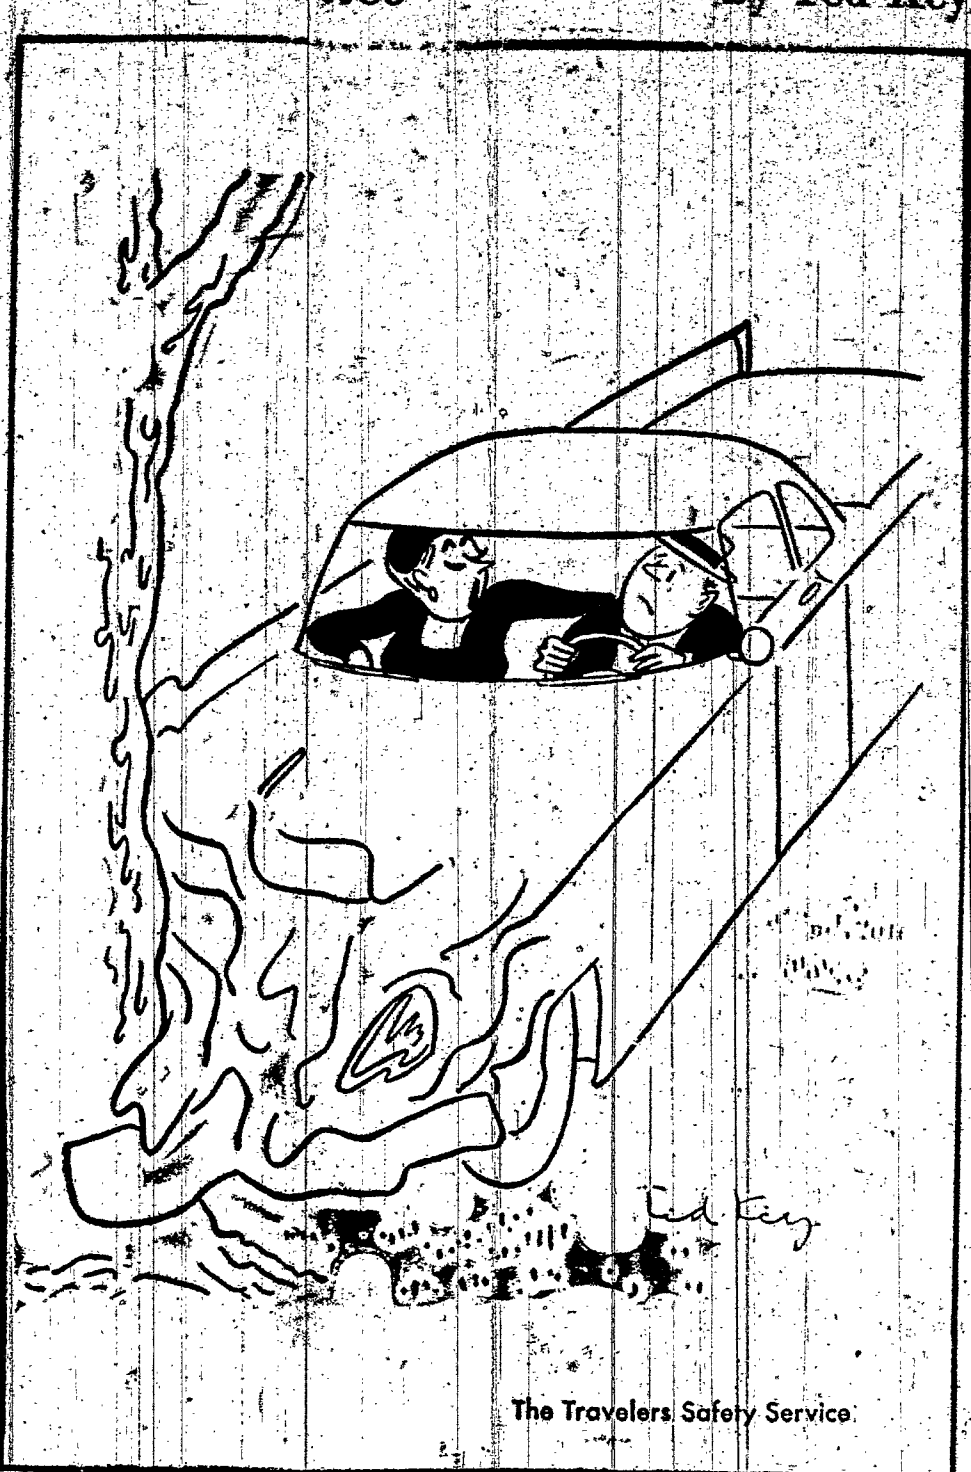

Back in the '90's, round steak sold for 12 cents a pound, butter for a quarter, and a loaf of bread went for a nickel. The cost of the grocery order which came to 85 cents then would be about \$2.75 today.

So it looks as if we were taking a fearful beating, price-wise. However, as the Sun points out, there is another side to the coin—earning power. Government figures show that a worker who averaged 16 cents an hour in the '90's averaged \$1.85 last year. So to quote the Sun directly: "The factory worker who bought the list of staples in the 1890's would have worked about 5 hours and 20 minutes for the money it took to pay the bill. Today he can earn enough for the same sack of groceries in about an hour and a half."

The situation would be generally the same in the case of goods other than food. Many causes have contributed to this great increase in purchasing power. One of the important ones has been the change within retailing itself. Mass distribution—based on big turn-over at a very small unit profit—was unknown in the '90's. The percentage of profit on each transaction was far higher then.

June Breath Bride of Donald Coffey

Miss June Abigail Breath, daughter of Mr. and Mrs. Charles Albert Breath, Jr., became the bride of Mr. Donald Spaulding Coffey, son of Mr. Philip Sterling Coffey, Pacific Palisades, California, and Mrs. Philip Schuyler Britton, of Shaker Heights, Ohio, on Saturday, June 16 at twelve noon at Christ Episcopal Church. The Reverend Charles R. Johnson officiated at the double ring ceremony.

The altar of the church was banked with potted palms and was attached to a half cap of lace embroidered in seed pearls. She wore a seed pearls. She wore a single strand of pearls with matching pearl earrings and carried a heirloom prayerbook topped with a cascade bouquet of white phalaenopsis orchids.

Mrs. Richard Hadden, New Orleans, a cousin of the bride, was matron of honor; Miss Sue Breath, a sister of the bride, served as maid of honor; Miss Cherie Rogers, Hattiesburg, a niece, as bridesmaid and Miss Nathalie Rogers, Hattiesburg, a niece, as flower girl. The members of the wedding party wore identical dresses of white imported organza, peplums under which were wide sashes of pale yellow silk taffeta that tied in the back with flat bows and extended to the hemline. The full skirts of organza were patio length. They carried bouquets of yellow daisies and wore wreaths of yellow daisies in their hair.

Mr. Edward Richardson of Lafayette, Indiana, served as best man, and the groomsmen were Messrs. Larry Fanning, Lawton, Okla., and Richard Hadden, New Orleans.

Following the ceremony, a reception was held at the home of the bride, Mrs. Breath chose for her daughter's wedding a gown of pale blue linen, embroidered with blue satin flowers and complemented with white accessories and a corsage of white cymbidium orchids. Mrs. Philip Britton, the mother of the groom, assisted Mrs. Breath in receiving her guests along with the bride couple and members of the wedding party, and wore a sheath model of champagne eyelet embroidered cotton over taffeta, with matching accessories and a corsage of brown orchids.

The home was decorated for the occasion with white daisies. (Continued on Next Page)

held two vases of white majestic daisies. Five branched candelabras held tapers which were lighted before the ceremony began by Charles Breath, III the brother of the bride. A large arrangement of daisies was placed on the organ.

Mrs. Philip Allison provided a program of soft nuptial music preceding and during the wedding, and Mrs. John Russell Hymn sang "The Wedding Hymn."

The bride who was given in marriage by her father, was radiant in an original bridal gown of imported Chantilly lace an dulle over white silk taffeta. The dress was made with seed pearls and had short cap sleeves. The bodice came to a point at the waistline and joined the sweeping skirt of tulle which was appliqued with lace and bordered at the hemline with scrolls of lace. Her fingertip veil of silk illusion

NOTICE TO THE PUBLIC

Garbage is regularly collected on the city streets, on Tuesdays and Fridays. In the event weather conditions are such that garbage cannot be picked up on these days, it will be picked-up on the succeeding days. GARBAGE AND GARBAGE ONLY WILL BE PICKED UP ON 'TUESDAYS AND FRIDAYS.

There have been many instances recently of people placing trash in garbage containers expecting it to be picked-up on Tuesdays and Fridays. We urgently request that this practice be stopped because it is most necessary that the garbage be picked-up off of the streets in one day. This can be done if only garbage is picked-up on Tuesdays and Fridays. Trash will be picked-up on either Wednesdays or Thursdays of each week. Public cooperation in this matter will be sincerely appreciated.

FARMERS MAY STILL MAKE USE OF SOIL BANK PROGRAM

Farmers in the areas where crops are not too far advanced will be able to earn payments under the Soil Bank Program connection with their 1956 crops of cotton, peanuts, and rice, Chairman J. N. Lipscomb of the State Agricultural Stabilization and Conservation Committee said today. While all details of the program have not yet been

determined, producers in general can qualify for the payments by putting land into the acreage Reserve and this reducing their acreage of the crop below the farm's established allotment.

Mr. Lipscomb cautions farmers not to take any action to participate in the Soil Bank until they have checked with their local county ASC committee, and entered into agreements with the committee regarding the practices to be carried out.

The county committee will receive full instructions as soon as the regulations can be completed. Mr. Lipscomb assures farmers that, despite the lateness of the season, the Department of Agriculture is moving with all possible speed to make the Soil Bank available to farmers this year. The program to meet this immediate need will in a sense be an emergency program for this year only. Before next year's crops are planted, including fall seedling of grain this year, the whole program will be reviewed and desirable changes will be made and announced before the 1957 program is started.

Payments which farmers can earn for going into the Soil Bank Acreage Reserve will be determined by multiplying a "base" rate by a yield factor to be determined. The national average rates for 1956 are peanuts, 3 cents per pound; and rice, \$2.25 per cwt.

Regulations are being completed for the Conservation Reserve but are not ready for release.

NOTICE OF INTENTION OF THE COMMISSION COUNCIL OF THE CITY OF BAY ST. LOUIS TO ISSUE BONDS IN THE AMOUNT OF \$50,000.00

The Board of Mayor and Commissioners then took up for consideration the matter of the issuance of Fifty Thousand Dollars (\$50,000) Street Improvement Bonds of the City of Bay St. Louis, and, following a discussion of the subject, Commissioner Glover offered and moved the adoption of the following resolution:

A resolution declaring the intention of the board of Mayor and Commissioners of the City of Bay St. Louis, Mississippi, to issue negotiable bonds of the said city in the maximum amount of Fifty Thousand Dollars (\$50,000) to raise money for the purpose of paying the cost of constructing, improving and paving streets in said city.

WHEREAS, the Board of Mayor and Commissioners of the City of Bay St. Louis, Mississippi, having made due investigation, finds, determines and declares that it is necessary to construct, improve and pave streets in said City; that the estimated cost thereof is Fifty Thousand Dollars (\$50,000); and that there are at this time no funds available in the City Treasury of said City for the payment of such costs; and

WHEREAS, it is necessary and advisable and in the public interest that the sum of Fifty Thousand Dollars (\$50,000) required for the aforesaid purpose be obtained through issuance of bonds of said City as hereinafter proposed; and

WHEREAS, the Board of Mayor and Commissioners of said City does further find and declare that the assessed valuation of taxable property within said City of Bay St. Louis, according to the last completed assessment, is Four Million, Three Hundred Ninety-three Thousand, Three Hundred Thirty-four Dollars (\$4,393,334), and that the total general obligation bonded indebtedness of said City at this time is Forty-seven Thousand Dollars (\$47,000); and

WHEREAS, the amount of bonds hereinafter proposed to be issued, namely, Fifty Thousand Dollars (\$50,000), when added to the aforesaid outstanding indebtedness of said City, will not exceed ten per centum (10%) of the aforesaid assessed valuation of taxable property within said City; and

WHEREAS, the amount of bonds hereinafter proposed to be issued does not exceed Fifty Thousand Dollars (\$50,000) or five per centum (5%) of the aforesaid assessed valuation of taxable property within said City; and

WHEREAS, the City of Bay St. Louis has not, within a period of twelve (12) months from the date of this resolution, heretofore issued bonds without an election, under the provisions of Section 7, Chapter 488, Laws of Mississippi, 1950:

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF MAYOR AND COMMISSIONERS OF THE CITY OF BAY ST. LOUIS, MISSISSIPPI, AS FOLLOWS:

SECTION 1. That the Board of Mayor and Commissioners of the City of Bay St. Louis, Mississippi, does hereby declare its intention to issue bonds of said City in the amount of Fifty Thousand Dollars (\$50,000) to raise money for the purpose of paying the cost of constructing, improving and paving streets in said City.

SECTION 2. That the issuance of the said bonds will be authorized at a meeting of the Board of Mayor and Commissioners of said City to be held at the City Hall in the City of Bay St. Louis, Mississippi, at the hour of 10 A.M., on Monday, the 2nd day of July, 1956, unless twenty per centum (20%) of the qualified electors of said City shall file a written protest against the issuance of said bonds on or before said date and hour.

SECTION 3. That notice be hereby given that a written protest against the issuance of said bonds may be filed with the City Clerk of the City of Bay St. Louis at or prior to the above named date and hour, and that if such protest be filed and be signed by twenty per centum (20%) of the qualified electors of said City, then an election on the question of the issuance of said bonds shall be called and held as is provided by law. If no such protest be filed the said bonds may be issued without an election on the question of the issuance of said bonds.

SECTION 4. That the City Clerk be and is hereby authorized and directed to cause this resolution to be published in The Sea Coast Echo, a newspaper of general circulation in the City of Bay St. Louis and which is eligible under the provisions of Chapter 427, Laws of Mississippi, 1948, and that the said resolution be so published once a week for at least three consecutive weeks, the first publication to be made not less

than twenty-one (21) days prior to the date above fixed for the issuance of said bonds and the last publication to be not more than seven (7) days prior to said date.

Commissioner Traub seconded the motion to adopt the foregoing resolution and, the question being put to a roll call vote, the result was as follows:

Commissioner Traub voted yea
Commissioner Glover voted yea
Mayor Scaffide voted yea

The motion having received the affirmative vote of all the members of the Board present, the Mayor declared the motion carried and the resolution adopted, this 4th day of June, 1956.

FORD sets 500-mile record at Indianapolis Speedway

Again proves nobody outperforms Ford

... dramatic demonstration of the kind of performance and roadability that makes all your driving more fun in a Ford!

A Ford V-8 hurtled across the brick and asphalt surface of tough and testing Indianapolis Speedway... whirling through the tight turns and flashing over the straight stretches... to set a mark that no stock car ever reached before!

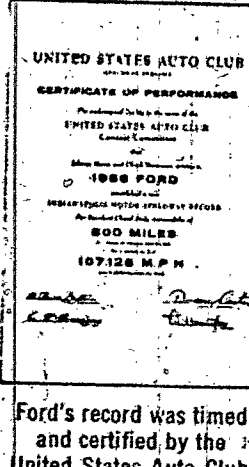

Previous to Ford's record run, no other stock car had gone even one lap at Indianapolis at 100 m.p.h., but one of Ford's laps was timed at the electrifying speed of 113.7 m.p.h. And Ford averaged over 107 m.p.h. for the full five hundred miles... close to the average set by the extremely costly, specially-built racer which won the Memorial Day "500"!

Ford fully realizes that the welter of claims and counter claims about "racing victories" (many of them completely contradictory) must be confusing and disillusioning to the public. Ford ran this race against time, over the true "Classic" distance and at the most famous track in America, in order to dispel this cloud of doubt and disbelief and prove that no one outperforms Ford!

Peter de Paolo, leader of the team of drivers that piloted the winning Ford, states flatly: "No other stock car could have equalled this performance!" And Pete de Paolo should know, for he was

the first driver to win the "500" Classic with a better than 100 m.p.h. average. And now he comes back with a group of drivers to establish a stock car record with the great '56 Ford!

Ford wrote this new mark large and bold in the record books. And the whole Ford did the trick. From the hood-full of throbbing horsepower to the road-hugging rear end, Ford demonstrated that it has what it takes to make your driving more enjoyable. Convince yourself that driving a Ford can be real fun. Test drive a '56 Ford. There's a set of keys waiting for you, so come in and see us soon.

Ford's record was timed and certified by the United States Auto Club

LETTERS

Juvenile Delinquency

Juvenile Delinquency, a fault, failure or violation of duty by the young, is too frequently used by adults to place the blame upon the young who can not defend themselves.

Some fault may be placed upon an Officer of the Law who does not take into custody the young who has damaged Public Property, until parents are informed of the misdeed and requested to replace damaged property. The Law is not assisting the parents when they label all the young "Juvenile Delinquents," law abiding parents still live by the old American Virtues, and only by the law cooperating with the parents can some restraint be placed upon the trend of the times. The age of the Juvenile Delinquent blamed for the speeding in the 20 and 30-mile zones has certainly been raised to the 25, 35, and 45-year age bracket, careful observance will verify this statement. Parents boasting of excessive speed limits before their young, boasting of their influence at City Hall to beat the ticket rap, showing disregard for the rights of other people's property and the ordinary courtesies of everyday living, are not in the category of the American Virtues practiced by the American Law Abiding Citizens.

Parents have been blamed and are still being blamed for the Juvenile Delinquent, so as parents, let's assume the responsibility, sit back and "Remember When." You were taught the usual courtesies of the day "thank you," "excuse me please" and "pardon me," to sit quietly among guests and in attendance whenever at an entertainment or in church, and taught the Golden Rule. Now review the conduct of the general public who are, in a hurry, discourteous, by leaving an entertainment before the end, or a Church service before the recessional hymn has been sung.

St. John's Church Fair Sunday. There will be the annual Church fair for the benefit of St. John's Catholic Church Sunday June 24th from 2 p.m. until 7 p.m. There will be a host of games and prizes for young and old. Loads of homemade cakes, candy and other goodies will be sold. Anyone wishing to donate a prize or cake may bring same to the church grounds Sunday. All donations will be appreciated.

Mr. and Mrs. Milton Stoufflet and son, Audie returned home Friday after a pleasant weeks visit in Durham N. C. with their daughter Lois, and her husband, Bob Poole. The Pooles drove the Stoufflets home and spent all day Saturday welcoming the many friends who called at the Stoufflet home. Bob and Lois left early Sunday morning so they could be back in time for work Monday.

A good crowd attended the shooting match at the "Town and Country Lounge" Sunday, given by Eldredge Garcia. Prize winners were Delbert Sessy, Linda Erskine, and Henry Bosarge. Judges were George Luisich, August Moran of Lakeshore, and Mr. Bourgeois of New Orleans.

On Monday Mrs. Georgette Bourlet and Mr. A. C. Fayard were guests of Mrs. Viola Garcia.

Happy birthday to my daughter "Sandy" who was 2 years young Sunday June 17th.

Mr. and Mrs. Lacy Green and children, and Mr. and Mrs. Howard Carver and children of Bay St. Louis drove down Sunday to attend the shooting match.

Mr. and Mrs. Gordon Garcia had as their guests Sunday Mr. and Mrs. Arnold Miller and their children, and friends from Ocean Springs, Miss.
